

# DOT Hazmat & RCRA Training

**Language Available:**

- English

**Student Count:**

- Min = 1
- Max = 15

**Course Duration:**

- 8 Hours

**Course Materials:**

- Handouts
- Quiz

**Virtual Training:**

- Optional

**Course Overview:**

The goal of this DOT Hazmat course is to provide the information and skills needed to be familiar with Federal Department of Transportation (DOT) regulations as a hazmat employee. Current U.S. DOT regulations require initial and recurrent training every three years of all employees who perform work functions covered by the Hazardous Materials Regulations (HMR; 49 CFR Parts 171-180). Any employee whose work directly affects hazardous materials transportation safety is required to have training.
