

# HAZWOPER – 40 Hour First Responder Operations (FRO)

**Language Available:**

- English

**Student Count (per class):**

- Min = 1
- Max = 15

**Course Duration:**

- 40 Hours

**Course Materials:**

- Handouts
- Quiz

**Virtual Training:**

- Optional

**Course Overview**

The HAZWOPER course will cover in detail the regulatory and training requirements of the Hazardous Waste Operation and Emergency Response Title 8 CCR §5192 (29 CFR 1910.120) standard. This course is specifically designed to prepare workers who are involved in clean-up operations, voluntary clean-up operations, operations involving hazardous waste sites that are conducted at treatment, storage and disposal facilities regulated by RCRA or by other agencies implementing RCRA regulations, and emergency response operations for releases of, or substantial threats of releases of, hazardous substances regardless of the location of the hazard.

**Discussion Topics:**
