- Quiz

Virtual Training:

- Optional

Course Overview

The foremost goal of this HAZWOPER 8 Hour Refresher course is to serve as an annual refresher for students that have previously completed 24-hour or 40-hour HAZWOPER Training. The class is structured to help companies fulfill requirements set forth in OSHA 29 CFR Part 1910.120. This HAZWOPER 8 Hour Refresher class is a must for any worker who comes in contact or has the potential to come in contact with hazardous substances and waste. Overall, this program is designed to reduce liability concerns for the employer while establishing a culture of safe work practices among employees.
